Dear Guest,

Welcome to « L'Escale du Ciel » !

After my design studies at the 'chambre syndicale de la haute couture parisienne' in Paris, I have always longed to find the way back to France again, so with the purchase of this house and the resulting project for me a dream came true .

In the last years, I have managed a number of interior furnishing projects, especially in the holiday-vacation business.

So I hope, as my future guests you will enjoy a wonderful time at this marvelous place, styled and individually designed with a lot passion and love.

Sincerely,

Judith Thiel

BEACHES

ENJOY YOUR STAY

Theoule sur Mer

... is located at the beginning of the Esterel Mountains, known for its red rocks. Here you can find both sandy beaches and natural beaches of a mixture of sand and stones.

Cannes

... you can choose between the private beaches along the famous Croisette (we recommend for example the Bijoux Plage) or the somewhat less fashionable beaches in Cannes La Bocca, there is a beautiful public bay just behind the harbor, but also a few nice private beaches.

Antibes

... there is a small city beach in old Antibes, you can find it if you go towards the port and turn right to the ancient arcades.
Otherwise there is a fine sandy beach on the Cap d'Antibes "Plage de la Garoupe".

Plage de Pampelonne

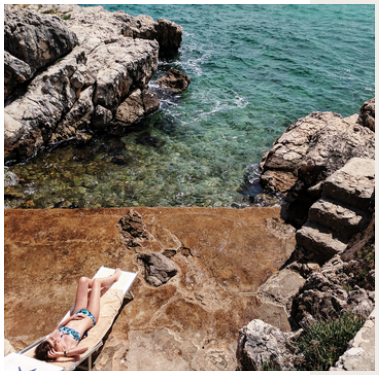
almost 5 km long sandy beach near St Tropez where among others the famous Club 55 is located, however, the entire beach is also open to the public and is especially suitable for beautiful walks along the water in the early and late season.

BEACHES

ENJOY YOUR STAY

La Reserve

The city beach La Reserve in Nice is the cliff overlooking the old port of Nice, here you can jump from the cliffs into the water and there are numerous small places built in the rock where you can sunbathe.



Cap d´ail - Plage Mala

.Cap d'Ail is the name of the beautiful stone coast in front of Monacco, here you can swim directly from the cliffs or enjoy the day on the beach La Mala, there we recommend the private beach Eden Mala ;-)... later in the evening, after a short walk along the coast, you get to the restaurant "La Pinede", recommended for a special occasion.

Plage Saint Aygulf

close to Fréjus is located behind a natural pond and has a relatively large sandy beach for dogs.

Plages de Cagnes sur Mer

.... is the nearest beach about only 25min away here you can find sand and stone beaches, unfortunately running just behind it is the busy coastal road. If you drive in the direction of the Hypodrome you will find a nice doggy beach with stones, for this you can park directly on the parking lot right below the bridge ;-).

TIPS

FOR YOUR STAY

we really want that you have an exceptional vacation experience & enjoy every moment at L'Escale du Ciel, so here are some useful tips ;-)

01

TIP 1

The special thing about L'Escale du Ciel is that there are many small retreats on the property. For example, relaxing at the pool house after sunset :-). Don´t hesitate to put the lights on but please turn them off before leaving.

02

TIP 2

In late summer, mosquitoes are occasionally on the move in the early evening hours, if you are sensitive do not hestitate to ask and we will be happy to help out with mosquito sprays or incense sticks

03

TIP 3

We have two picnic baskets that we are happy to provide for your day trip

04

TIP 4

The sun is on the front of the house only in the early morning hours until about 11:00am, so it is better not to close the shutters, but to pull down the window screens, so that the fresh breezes from the mountains can pass through the room, but then you should close them again in the evening before turning on the light.

Bienvenue

La décoration est réalisée à partir de matières nobles, tels les carrelages antiques en terra cotta avec leurs empreintes d'animaux, les galets polis ou encore des «récipients» de Chine antique qui trouvent là leur deuxième vie à l'usage de vasques. Dans chaque chambre, des draps luxueux en lin de Belgique vous attendent. Des services clefs en main vous invitent à la plénitude du corps et de l'âme !

La maison principale offre trois chambres pour deux personnes chacune ainsi qu'une suite pour trois personnes maximum, avec un salon comprenant un canapé-lit.

Au rez-de-chaussée, vous trouverez un espace de vie ouvert comprenant un salon cosy et une salle à manger avec sa cheminée. Elle est ouverte sur une cuisine entièrement équipée à votre disposition si vous décidez de louer la totalité de la maison. Les intérieurs sont raffinés et riches en culture. Ils ont été conçus pour être confortables et accueillants.

Adossée au mas se trouve une petite maison d'amis reliée à lui par un jardin d´hiver et une de ses chambres. Elle comprend une salle de bains et des terrasses privées sans oublier sa tente exclusive glamping vous offrant une vue exceptionelle face à la vallée ! Cet ensemble peut également être loué séparément sur demande.

La terrasse du salon et sa vue époustouflante est un endroit merveilleux pour les repas en plein air, de jour comme de nuit.

Vous montez quelques marches et vous nagez déjà dans la grande piscine à débordement de 11 x 5 m ! Sa pergola ombragée juste à côté est une invitation parfaite à la relaxation. Sur la terrasse supérieure vous découvrirez une plateforme de Yoga de 5 x 7m et un espace de vie avec sa terrasse en bois.

Bienvenue à « L'Escale du Ciel » !

Déjà lorsque j´étais étudiante à Paris à la « Chambre Syndicale de la Haute Couture », je rêvais de revenir en France. Aujourd'hui ce rêve est devenu réalité avec l'acquisition de ce domaine niché dans un environnement calme tout en étant proche de la Côte d'Azur vous permettant de profiter de ses animations culturelles et gastronomiques.

Avant de démarrer mon activité de chambres d'hotes, j'ai surtout travaillé comme décoratrice d'intérieur. J'ai réalisé de nombreux travaux manuels (patines, dorures) et finalement j'ai pu me spécialiser dans le domaine des maisons de vacances. « L'Escale du Ciel » s'inscrit dans la continuité de mon travail avec un engagement très personnel.

Cordialement
